Dante,
I also just received your voice message! Yes you can request to speak to Chairman Torres, unsure if she will be in the time you call but it is worth a shot. Can i ask what Enrique will be speaking about? I would like to give her a heads up so she can expect a call from him.
Thanks again,
Tashina

I will be out of the Office tomorrow at that time but I will be able to take your call on my cell. I got to see if i can take it at 10 due to my sons dr. apt but i will definitely talk to you. I am going to the RTOC next week in SF, CA if you want to meet in person I will gladly make time to go over everything.
Thanks
Tashina
